

Department of Rail Transport Announcement
No Gift Policy for all kinds of gifts and rewards from the performance of duties
- Fiscal Year 2024

Department of Rail Transport (DRT) acknowledges the importance of strengthening organizational culture to prevent corruption, promote ethics, morality and transparency in the performance of duties. This operates under government policy to address and eliminate corruption and misconduct, which is a major problem and obstacle in the country's development. The DRT is committed to continuous efforts to prevent and combat corruption, following the national strategic plan, particularly under issue (21) on countering corruption and misconduct.

This commitment aims to demonstrate a firm intention against corruption and to strengthen to all DRT executives and staffs to be morality and honesty. This will result in transparency in operations according to the principles of good governance. To reaffirm this commitment and oppose corruption, the DRT has implemented a "No Gift Policy" for all officials and personnel. This policy is designed to prevent any unfair practices, corrupt, and the occurrence of any benefits. The DRT appreciates and welcomes the goodwill of those who interact with the DRT. The DRT dedicates to take responsibilities and following the progress of development of the railway transportation system, ensuring the happiness and safety of ridership on Thailand's railway network.

Hereby announced to be acknowledged and practiced by all involved
